

Struthers Primary

Bulletin 2 25/8/17

I hope everyone survived their first full week. I think it was quite a challenge for some.

The annual data forms are now out to all parents. These must be returned as they give us all contact information and vital information about your child. These are used all through the year for trips. You will get information letters about trips but consent forms come from this data return. It is so important to have up to date medical information and contact details.

Could we ask that any new parents, especially our new P1 parents and Nursery parents provide us with up to date **email addresses** so we can communicate effectively with you. We send out bulletins and communications by email and we want to make sure you can access them and keep informed about our school.

The table below will list all letters which have been issued and when they are to be returned. Copies of letters are on the school website if you lose the copy your child brings home.

Class/Classes or Whole school	Content of Letter	Return date
Whole school	Annual Data Check	Friday, 1 st September
Whole school	Flu Immunisation Letter	Friday, 1 st September
P6	Visit to Dynamic Earth	Wednesday, 13 th September

Struthers holds a Level 2 accreditation as a Rights Respecting School and the ethos of this is embedded in our school. We regularly share and discuss the UN Rights of the Child with all our pupils and we work together as a community to achieve these goals. We include our focus rights in the bulletin each week and it is good to talk about these with your child.

Article 28 Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. .

Article 29 Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Our School Values are: Inclusion, Respect, Honesty, Loyalty and Responsibility.

School Website address is: www.struthers.sayr.sch.uk and phone number is 01292 690073

Please see below our summary of our School Improvement Plan we create from analysis of school audits which involve pupils, parents and staff and reference local and national guidelines and our own school self- evaluation.

Our overarching theme for Struthers is pupil leadership in their learning and in leading school improvement. We are clear that for children to be successful in later life they must understand how to learn, be confident in approaching problems and challenges, be able to work with others and understand and fulfil their responsibilities. We would ask that at home you can support this as well. This means ensuring pupils take responsibility for sharing communication between home and school e.g. sharing homework tasks which will always have been explained, pass over letters, tell you about school events they hear from assemblies and their class teachers. It is vital for children to be self- motivated and have developed skills to face new challenges to ensure they can achieve their potential and achieve success.

Priority	How we will achieve this?
1. To raise attainment in Literacy with a particular focus on pupils who are not achieving expected outcomes.	We will continue to look at our reading strategies and how we can support pupil's comprehension skills. This will be in conjunction with our focus on encouraging reading for pleasure and independent reading. We had a very successful year with Reading for Gold and the development of our new library and this will continue to be developed.
2. To raise attainment in Numeracy with a focus on	We are going to study all the new approaches to teaching Numeracy and Maths we have recently introduced and look at how the approaches can be brought together in more

pupils who are not achieving expected outcomes.	meaningful lessons. We aim to help children understand more readily how to apply the skills they learn and be able to identify when to use the correct strategies.
3. To measure and track Pupil Health and Wellbeing.	We will be looking at all the Health and wellbeing outcomes for pupils and the benchmarks for their assessment and create a programme for Struthers that will ensure all children meet all outcomes and we will have measures to show this.
4. Develop Parental Engagement to support all our families.	Our 2 newly appointed Acting Principal Teachers are going to be responsible for this area which will look at developing our new Family and Community room and provide opportunities for Parents to come in and learn with us.

If you have any skills or interests in any of these particular areas and you feel you could help us please get in touch.

Welcome Night

A huge thank you to everyone who came along to our recent Welcome Night. It was lovely to see so many of you and we appreciate all the feedback on the Post Its for our Curriculum rationale. This will give us lots of information to work with to help create our statement about our school. We were delighted with the response to the new Community Learning hub and hope to see many of you in it soon.

Playground Safety.

Just to remind you parking in playground is only for Nursery Parents and staff.

Children are not allowed to walk through the car park for safety reasons.

Bikes/scooters must be brought through the playground to be put in the bike shelter. With our Nursery being open and our kitchen hours changing over last few years we wish to avoid children being near cars or delivery lorries. This is for the children's safety.

We would also encourage children to cycle home along paths and avoid busy roads like Staffin Road.

We would also remind all children walking home and requiring to cross Deveron Road that they do so with our Crossing Patrol Supervisor Mrs Helliwell.

Uniform

It has been encouraging to see our pupils all turning up this morning looking very smart in their uniforms either white/green polo shirts and sweatshirts or school tie and white shirt. P7 only are allowed to wear the black polo shirts and they look very smart in them. **Please can you ensure that all items are named.** We often have a pile of clothing left at the end of the day and to ensure we can return it to the rightful owner quickly clothes must be clearly labelled. If it is not we can't guarantee it will find its way back to you which will be frustrating for everyone. If children have school jackets please attach a personal keyring to the zip to help them be identified easily. Gym bags should be handed in containing gym shoes and shorts and children should wear their polo shirt on gym days for a quick change! Again please label everything especially shoes which can all look the same!

Thank you to those kind parents who have already donated old clothing to allow us to change children in the event of an accident. These donations are a huge help to ensure children can go home appropriately dressed if they require to be changed. We are always looking for any old clothes and gym clothing especially unwanted gym shoes as they are a particular help.

Outdoor Learning

As part of our uniform policy we are expected to provide regular opportunities for outdoor learning and this is NOT weather dependent. Please ensure all pupils are dressed appropriately for the weather conditions each day.

Could we also ask that gym bags are left in school for children to have access to on the days they need them.

Pupil Health and Wellbeing

Pupils from P1-P3 must be collected each day by a responsible adult. The class teacher will line the children up and come out to the playground and wave to this person and we ask you wave back to acknowledge you are taking over responsibility for your child. It is important that we also remember it is South Ayrshire policy that dogs are not permitted on school premises. As with all Council properties please do not smoke on school grounds. We also ask that mobile phones are not used. If a child must bring one to school it will be switched off all day. It can be kept in the office otherwise it is not insured if anything happens to it. If a child does use a mobile phone during school hours it will be taken from them and kept in the office to be collected by an adult.

Children are encouraged to bring a water bottle to school every day to keep hydrated. The school can get very warm. We would remind you that the bottle should only contain water. They can be refilled in school from sinks outside each class.

You will have received your child's **flu vaccination form** today. This must be completed for all pupils and be returned by **31st August** to let the administration team know if your child/children have to receive this in school or not.

Entrance Door

The Council have changed our door entry system and the door is no longer automatic. It will be locked and you will buzz the intercom system. Once a member of staff has verified who it is they will then release the catch and you can pull the door open. There have been a few teething problems and we are trying to sort these with the Property department.

Medication

If your child has any medical condition it is vital you let us know. We are updating records currently and would be delighted to hear from you. Please note South Ayrshire Council's policy prevents us administering any form of medication unless prescribed by a doctor. If this is the case you must come to the office to complete required forms.

School Hours

Our school hours are 9 am until 3.00pm with a short break from 10.40-10.55 and lunch from 12.30 until 1.15pm. We also have a **Breakfast Club which opens at 8.10am every morning** and there is an after school club run by Meadowgreen Centre and children are collected from the playground and walked there. Contact details for Meadowgreen are 315512. Muirhead Activity Centre also offer the same service. Our Nursery runs 2 sessions. Morning session will be 8.40 am until 11.50 am and then the afternoon session will commence at 12.30pm and end at 3.40pm. We also have some pupils who are with us for full day provision and we have a breakout room for them to have lunch and to play.

Attendance/Absence/Latecoming

Any pupils who arrive after the 9am bell must report to the office and sign the late book. This is monitored regularly and if we have any concerns of regular late arrival we will contact you. It is vital that all children are here for the start of the day as this is when the plans for the day are discussed and key teaching aspects explained. If a child is unwell/going to be absent please contact the school by phone to let us know. If we do not hear from you we will follow necessary procedures. ***Please ensure all contact details are up to date for your child's safety and welfare. It is distressing for everybody if your child takes unwell or has a serious accident and we can't get in touch with you. Being unable to contact anyone does happen regularly.***

Parent Groups

We are very fortunate at the school to have very supportive parents who are committed to ensuring we work together for the benefit of all pupils.

We have amalgamated both our Parent Council and Fundraising Group to ensure we can maximise support without asking parents to commit too much of their time. We meet on the second Tuesday of certain months and are led by Kirsten Gallagher. It is a really proactive and positive team so come along and get involved in helping us make Struthers the best it can be. We will hopefully see you on the 5th September at 7pm and hopefully in our community hub space unless we are overwhelmed with people!

We would also be delighted if you would let us know if you would be able to be a helping hand in school this session. If you have any regular available time we would be delighted to welcome you in. If you can help on a more limited basis such as for school trips, events we would also be delighted to have your details. Mrs Maley will be sending a letter out soon.

As you are aware the Scottish Government have now pledged that by 2020 early learning and childcare hours will increase to 1140 hours per year.

We are seeking the views of parents/carers on how we could plan for the future and provide flexible early learning and childcare that meets the needs of children and families in our communities.

Parents and carers can have their say by visiting <https://www.surveymonkey.co.uk/r/PMD77KL>

Respect at Work

We along with all other workplaces have a clear respect at work policy and very strong focus on values and rights so we would ask at all times that you communicate with us appropriately. I can assure you that every member of staff at Struthers has the best interests of your child at the centre of all they do. They will work in partnership with you to resolve any issues in a calm, supportive manner where communication is equally respectful.

Communication

We have worked closely with all partners to improve communication. We have a very detailed and regularly updated website. Mrs Maley keeps adding all up to date information on this so if you are unsure of dates/trips etc please take time to visit this.

The address is:

www.struthers.sayr.sch.uk.

We also tweet events and information so follow us

[Join us on Twitter!](#)

[Download the Twitter App today and follow us @StruthersSchool](#)
[At Struthers Primary and Early Years Centre we aim to use Twitter to:](#)

- ✓ Promote the school

- ✓ Provide information to current and prospective parents and teachers as well as the wider community
- ✓ Act as a one way communication channel outwards (Please continue to contact the school directly with any questions)
- ✓ Showcase examples of pupils' work – in words, pictures, sound or movie clips

Please feel free to contact Miss McBean (Depute Head) on 01292 690073 for more details or for more information on how to download the Twitter app.

I write a weekly bulletin every Friday with information about school priorities, events, dates for your diary and anything you need to know about the life of the school. This can be accessed on website to cut down on paper but if you can't access it this way you can request a hard copy at the office and this will be sent home with your child. Class teachers will also be sending home Class Curriculum flyers about routines, contact details, yearly plans and homework. Classes will also have Homework Diaries as a means of communication and please note anything you want us to know in there. They will also have Glow Pages too. Any other suggestions let us know!

Achievements

We always have lots to celebrate at Struthers as we have such amazing pupils. We love to celebrate their school success but also things they achieve and are proud of outwith school. Miss McBean coordinates this and shares at assemblies and we tweet these special moments.

Live@Troon will soon be upon us as it is being hosted on the weekend of 8th-10th September. Every year we choose 2 finalists from P3-7 to represent the school and auditions for this will be held on Monday 4th September. If your child wishes to be auditioned can they please put their name on the list which is outside Miss McBean's office.

House Captains

We have been absolutely delighted with our new P7 pupils this year. They have come back after the summer with great enthusiasm and commitment and already offering their services to help out and support the school. This was backed up with a record number of pupils applying to be House Captains. The standard of presentations was very high and we are proud of all of them. For those who are not House captains we are already identifying Leadership roles in the school for them to use their fantastic skills.

After the very strict vote count our new House Captains are:

Collenan Green- Ellie Lowe and Boyd Cameron

Crossburn Blue - Eva McIntyre and Donny Rorison

Craiksland Red - Dylan Morrison and James Bell

Corraith Yellow - Skye Butterfield and Luc Chisholm.

Congratulations to all of you.

Mrs Jane Houston

We will also be sending out most up to date catering information and this will also be available on the school website.

Dates for you. These are all we have so far and will be added to as term progresses and I will try to update as early as possible so keep checking. Also dates can change as other events become known to us so we do have to be flexible.
