Information for Return to School

There will be no bulletin this Friday as we break up for the October Holiday week but all you need to know was put in last week's bulletin. It is a busy week on our return so I thought it might be helpful to remind you of some upcoming events. They have all been included on my weekly bulletin which is posted on the school website every week so this is just a final chance to highlight them. We often hear Parents commenting that they don't know about things which is a bit frustrating but we do try and keep everyone informed through this weekly bulletin. If you can't access the bulletin online please let us know and we can send home a paper copy.

This week we are collecting Harvest tins, jars and packets for the Ayrshire Foodbank which P3 and P4 have been organising and on Friday we are asking you to wear it Purple for the Hospice and to make a donation to support the amazing work of this charity in our local community.

Children return to school on **Wednesday 25th October** after what we hope is a lovely relaxing October break to set us all up for the long winter! **Friday 27th October** is a really busy day and we want to make sure everyone is prepared.

From 8.15 am on the Friday we are open for the Big Breakfast which supports the ITV campaign led by Lorraine Kelly. You can walk, cycle or scoot to school and join us for a family breakfast making a small donation to this national fundraiser. Then on the Friday morning during school time children will be photographed in groups of birthday months by Miss Neil for the Fundraiser calendar which is always such a big hit and they all need to be in **school uniform**. At lunchtime on the same day children can go home to get changed in to Hallowe'en costumes or bring their outfits in a bag and get changed after lunch in school. There will then be an afternoon of activities organised by staff and the usual Hallowe'en class parades and judging of the best costumes by the Fundraiser group.

I hope this ensures everyone is clear about the events coming up and we are not in a situation where anyone is unclear about what is required.

Have a lovely October break when it comes.

Mrs J Houston
Head Teacher
