

Struthers EYC News

Welcome to all our new families and welcome back to our returning families. We had a lovely summer and managed a few special trips to the Prestwick Airport, Fullarton woods and Troon Beach. During the summer we also said goodbye to Miss Bennett, we wish her an amazing time in her new EYC. Miss Mathieson is also away to travel the world and we can't wait to hear how she is getting on and look forward to hearing all about her travels. Lastly Mrs Kerr retired and will now be living the life of luxury with her lovely family. She will be sadly missed as she has been with the Centre since it opened its doors back in 2014.

Can you please dress your child appropriately for the weather, we spend lots of time outside. Please provide suncream for your child or apply the once a day brand. If you have a wet suit and wellies you wish to leave at the Centre we have space for this to be stored on our outdoor trolley.

Please can I remind everyone that we have a child with a severe nut and egg allergy. If your child does have egg for breakfast we just ask that you make sure you encourage your child to thoroughly wash their hands.

Please can you hand in any relevant paperwork. All about me, medical, consent and GIRFEC as soon as possible.

Contacts

Please send us an email if you have any questions or concerns and we will be more than happy to respond to these during our normal working hours.
