

## Struthers Early Years Centre Session 2017-18 Bulletin 5

### Learning

The children have been enjoying spotting signs around the school and playing some sign games in the centre. We are looking forward to getting outside the school this Wednesday to spot some in the local environment. We will take the children in their key worker groups to do this. Please ensure you have handed in your child's Wandering Wednesday permission slip or we will unfortunately be unable to take them.

### Personal Plan Appointments

Thank you to all those who came along to your child's personal plan appointments. We enjoyed having the chance to have a good catch up with you all and look forward to this again in the future. Having these appointments is something we have implemented after some feedback from last session that parents would like more time to discuss their child's progress and we hope that you found these valuable.

### Staffing

We have two new students starting with us this week for the next fortnight and we hope that you will make them feel most welcome. We are also advertising a full time permanent post and all going well are looking forward to welcoming a new member of staff to our team in the next few months.

### Stay n Play

We had our first Stay n Play session this week and we hope all that attended had a great time! Our next Stay n Play will be **Tuesday 31<sup>st</sup> of October** and this will also be our Halloween party so be prepared to join in the Halloween fun - fancy dress optional! Our Stay n Play sessions are open to all parents/relatives and are always the last hour of the session. This time was extended from half an hour to an hour due to parental feedback and we love having you! If you however cannot commit to the hour you are welcome to drop in/out at any time within the hour.

During Stay n Play you are invited to enjoy some quality play time with your child using our nursery resources. Sometimes we will have set activities out or the children may put on a short performance, other times it will be a free play session. We tidy up ten minutes before together time and kindly ask that you take your child away once we have tidied to free up space for our other collecting parents and carers to pick up their children.

Stay n Play will always be advertised in advance in our Foyer and all the dates are in our Dates for the Diary sheet in your welcome pack. Extra copies of these are available in the bulletins box in our Foyer. If you have any questions about Stay n Play please ask a member of staff.
