

Katie Morag and the Hidden Treasure

On a sunny day Katie Morag decided to go on a treasure hunt with Grannie Island, Mrs. McColl, Liam and Mr. McColl and the ferryman. In the ferry boat they went to Castle McColl. Everyone got out of the Struay Lass. Katie Morag ran up the Castle McColl stairs as fast as she could. Then Katie Morag saw something shiny lying in the corner. Katie ran over and she saw a key. Maybe there is trophies and money. Next they went to the golf course then they looked in the holes and they found a diamond. The label said if you find me you keep me. Go to a muddy place and you will keep me. Katie thought and thought. Muck Bay she shouted. Katie ran to Muck Bay. Katie found the treasure. She ran to her house and she showed her mum. She felt delighted.
