

Katie Morag and the Treasure Hunt

Katie Morag decided to go on a treasure hunt. She was walking around the Isle of Stryary then Katie saw a key. Maybe there is treasure. Said Katie. She went on a trip to the One Eye Lighthouse. Everyone got off the boat to explore. Katie Morag went up the stairs then Katie saw a box. Katie was surprised. Maybe there's a trophy and money. Maybe there's diamonds and gold. Katie opened the box and it was gold. Katie wanted to go home to tell mum and dad. When she got to the shop and the postoffices she gave mum the diamonds and she gave dad the trophies. She was happy.
