Dear Mrs Montague,

I am writing to you to say thank you for the letter.

We all read your letter and you wanted to find a few facts about Egypt. I am an expert about Egyptian facts. You were asking what the boat was used for. It was used for the pharos to cross the river Nile to go to the new world. Here are some facts about Tutankhamun. Tutankhamun was also known as King Tut. When Tutankhamun died people wrapped him up in linen bandages and put him in a sarcophagus. Tutankhamun's pyramid was not sound for thousands of years.

Hope to hear from you soon.

Yours sincerely,

Nicole Harrison.
