Dear Parent / Carer

Marr College PE Department is hosting a **P7 Transition Event** on **Thursday 19th April** from **12:30pm – 2:45pm**. All P7s in the cluster are invited to take part in an afternoon of sports at Marr College Playing Fields.

Pupils will require a packed lunch which they will have before walking across to the playing fields at 12 noon. They will return to school after the event.

The event will be run by Sports Leaders and PE Department staff and will involve a range of sports which are on offer at Marr. Children will be split into groups and given the chance to mix with other schools.

Pupils should bring suitable clothing to school for this event and bring a water bottle.

Some Parent helpers are required to walk with pupils. If you are free can you please indicate below and return slip to your child’s school by Monday 26th March.

Yours faithfully

Duncan Sturgeon
