Children in Need

We raised a fantastic amount of £666.23! We had lots of fun dressing up and doing different activities.

We also supported Power of Play and every class made a rag ball. We tested them in PE to see how durable they were. We purchased a durable football to send to our Ugandan friends so they will have a virtually indestructible football to play with. The ground they play on is very stony and rough.

Article 29 Education must develop every child's personality, talents and abilities to the full.

Article 31 Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Article 6 Every child has the right to life.

Article 10 Government must act quickly and sympathetically if a child or their parents want to live together in the same country.

Article 22 If a child is a refugee or is seeking refuge, governments must make sure that they have the same rights as any other child. Governments must help in trying to reunite child refugees with their parents.

As part of Outright week we were thinking about refugees and the trials they face. At Parents night our RRS committee asked parents and pupils what they thought it would be like to be a refugee and what they think we could do to help them. We had some really good ideas and we will be sending our findings to our MPs and Parliament as part of our campaign for UNICEF.

We are delighted to say we had no negative answers.

As part of our Fair Achiever Award for Fairtrade we held a stall during our parents night in November and at Our Christmas School Fayre.

We have also written to ask staff if they would have Fairtrade coffee and tea in the staffroom.

Article 32 Governments must protect children from work that is dangerous or might harm their health or education.
