Wednesday	WW: Trip to the Keystore	WW: Trip to the Keystore
Thursday		
Friday	Family Fun 11am	Family Fun 3pm

Learning

The children have enjoyed singing the nursery rhymes and we have left a copy of these in the foyer if you wish to take any home to enjoy.

This week we will begin to make our crafts to sell at the fayre, we have compiled a little wish list to help us make our items. If you have any of the items at home we would be delighted to receive some donations - please do not buy any of the items!

We will continue to explore money and the children will help to set up a role play shop to allow them to experience using money through play. Our trip to the keystore was a success last week. The children helped to make shopping lists, which they then had to 'read' to find the items in the shop. The children were able to pay for the items and receive change. The children are being exposed to lots of new vocabulary such as cash register, shop assistant, change, notes and debit card.

We are looking at the numbers and words on money and debit cards and the children are having a go at creating their own.

Thanks to everyone who participated in our Spots and Stripes day for Children in Need and to those who came along to Stay n Play or Family Fun we hope you had a great time!

Finance Fortnight Wish List

Old assorted buttons

Flour

Salt

Birdseed

Gelatine
