

Struthers Early Years Centre Session 2017-18 Bulletin 26

Learning

Camembear sent a postcard all the way from China. He was celebrating Chinese New Year so we learned all about that this week. We created our own Chinese dragon for the dragon dance - the children had super ideas for this which we recorded in our floorbook. They also wanted to create a Chinese restaurant, we enjoyed some noodles for snack and made some Chinese lanterns.

If you have any items at home that we could use to enhance this for the children e.g. chopsticks we would be delighted to borrow them!

PEEP

PEEP started last Friday and is a similar format to family fun. You are able to explore fun activities with your child whilst learning how to best support them to develop key skills. It will continue on Friday's from 9:00-10:00am for the next five weeks. If you would like to come along please sign up in the foyer. Future parents are welcome to bring along their little one's too so if you have any friends who may be interested feel free to invite them along!

Baby Massage

Baby Massage will be held within Struthers Primary School Community Room Starting Monday 5th March to Monday 23rd April Excluding Monday 2nd April and Monday 9th April.
1.30pm to 2.30pm
Please visit the school community room to sign up for the block
