

Struthers Early Years Centre Session 2017-18 Bulletin 29

Learning

We asked the children on Wednesday what they would like to learn about and recorded their ideas in the floorbook (under our learning tree) many children mentioned houses and buildings. We will therefore enjoy play and learning through the context of 'Houses and Buildings'. We will start on Monday by asking the big questions 'What is a house?' and 'What are houses for?'

Stay N Play

Stay N Play is on Monday. We will begin our houses topic and we would invite you to bring in a photo of your house to help your child paint/draw/create a collage of this alongside them if you wish.

Wishlist

To support our topic we are looking for the following:

- Junk modelling materials e.g. empty tubes, tubs, cardboard boxes (cereal etc.) Please ensure items are intact where possible and clean
- Pictures of your home for your child to use as a reference to talk about/draw.

Lending Library

. Our lending library is up and running and we hope you are enjoying the books. Please remember to return your book each Tuesday, or the nearest available day if your child does not attend a Tuesday.

Wandering Wednesday

We will be taking the children out in key worker groups to explore and spot the different house types in the immediate local environment.

Staffing

Some of you may be aware from the school bulletin that I recently secured a new post as Depute Manager at the Space Place Early Years Centre. I would like to take this opportunity to say that I have thoroughly enjoyed my time at Struthers Primary, the children and parents have made the last five years a joy! Although I will miss the school, children and families I am looking forward to starting my new adventure in the near future and I will take lots of happy memories with me. Thank you to all who have been so supportive during my time in the school and early years centre.
