

Struthers Early Years Centre Session 2017-18 Bulletin 6

Learning

The children are loving learning about the emergency services. A huge thank you to Lewis's Dad who came in on Monday morning to show us his police uniform! The afternoon children enjoyed a visit from PC Harrower the campus cop at Marr College. On Tuesday morning we were visited by the mounted police and all got a chance to meet Kilmarnock and Lockerbie the lovely police horses.

We spotted lots of signs on our Wandering Wednesday and the children were interested in the numbers/letters on these. We will continue to look at signs with numbers and letters in the playroom.

Supporting Learning

As we will be out and about more often we will be talking to the children about road safety. You may wish to reinforce this at home by reminding your child to stop, look and listen before crossing the road. The children will experience this on our Wandering Wednesday and we will also practise in our big playground this week to reinforce this.

We will be reading the story 'Ziggy and the Lollipop' if any of you have a copy at home you may wish to explore this. Other Ziggy stories which cover various aspects of road safety are available in our foyer - we are hoping to order more copies of Ziggy and the Lollipop over the next few weeks for you to enjoy at home.

We will enjoy singing number rhymes this week, most of these are in our 'Favourite Number Rhymes' resource available on the website and in your welcome pack, why not join in at home and share on Edmodo! To support the emergency services theme we will also be singing '5 Little Firefighters and Here we go round the Fire Station' the words are available in the Foyer and Edmodo if you wish to enjoy these at home.

To support the children's interest in number signs could you please send in a photo of your child with their door number either in person or on Edmodo for us to discuss.

Usborne Story and Song Session

**Come along and join in the
singing and stories with Eve!**

**Community Room
Struthers primary school
Thursday 21st September
9.15 am**

School Closure

The school and EYC will be closed on Friday 22nd September and Monday 25th September and will reopen on Tuesday 26th September.

Wandering Wednesday

Our first Wandering Wednesday was very successful and each group enjoyed spotting lots of signs out and about - we have added our floorbook about this to the shelf on the Foyer for you to have a look at. The children may add to this if the interest continues. This week we will visit Meadowgreen Doctors Surgery and Wallace Stevensons Chemist. We will take half the children this week and the remaining children the following Wednesday. We plan to set off just after 10:00am if you would like to join us for the wander you can pop your name on the list in the foyer.
