

Struthers Early Years Centre Session 2018-19 Newsletter 5

Learning

This week we have started learning about shapes. We have been learning our new shape song, which the children remembered really well and identifying shape around the room.

We also enjoyed a peep session on Thursday afternoon.

Next week we will continue to learn about shapes. We will be focussing on the properties of 2D and 3D shapes. Fingers crossed the weather is on our side for Wandering Wednesday.

Junk modelling

If you have any old boxes, from cereal, shoes etc we would be very grateful for them. We are looking to create junk modelling using a variety of materials.

Holidays

We are closed Friday 21st September and Mon 24th September. We will be open as normal on Tuesday 25th

French lessons

Our French lessons started this week.

We look forward to continuing these.

Thank you to Miss Paterson and Lauren's mum for kick starting this.

Stay and play

Stay and play session this month is Thursday 27th September.
