

Struthers Early Years Snack Fund

We operate a snack fund donation system. We ask parents/carers to pay £1.50 a week and this pays for lovely fresh fruit and vegetables from a local business (W.A & E Grant's Greengrocer's). Any remaining money is used to subsidise trips and outings (especially our Wandering Wednesday's where we often use public transport/buy snacks from local shops).

The fund is a donation and parents are not obliged to pay, it does however allow us to continue supporting a local business and provides our children with wonderful fresh fruit and vegetables each week.

We understand that many people no longer carry cash and on busy mornings with little one's it is easy to forget. Some parents had asked if they could pay in advance for a term/year. We have therefore calculated the costs for the remaining terms below. If you wish to pay in this way you are most welcome. We greatly appreciate all donations received and would like to thank you in advance.

2017-18 Term 3 (January - March)

12 Weeks at £1.50 = £18

Subtract £1.00 for holiday days (Feb weekend - 3 days)

Total for term £17.00

Term 4 (April - June)

11 weeks at £1.50 = £16.50

Subtract £1.50 for holiday days (May Day and May weekend - 4 days plus early finish in June)

Total for term = £15.00

Total for remainder of year = £32
