

Day of Change 2016

# Wishes for the World.

Struthers Primary

Troon, Ayrshire

For Unicef Day of change 2016

Struthers Primary in Troon are working towards our Rights Respecting Schools Award Level 2 which is based around the United Nations Convention for the Rights of a Child.

We have become far more aware of children around the world and the situations they face and the conditions they have to in.

With this in mind we thought about our hopes for children around the world. We are always thinking about what we can do to help our world to be a better place for people to live in. We think if we all unite we could help everyone, everywhere to be safe, well fed and happy.

We would like to ask you to take a few moments of your time to read our wishes for the world.

Thank you.
