

Physical Education

The Experiences

Pupils will be put in situations where they will experience, Movement Skills, Cooperation & Competition and Evaluation & Appreciation within different contexts.

What Pupils Learn

The Context

Pupils will experience 2 hours of high quality Physical Education a week and they will experience the above Significant Aspects of Learning through the following activities: Rugby, Handball, Football, Volleyball, Fitness, Athletics, Gymnastics, Racquets, Cricket, Basketball, Dance and Hockey.

Celebration of Success

Pupils who succeed will be recognised for effort, kit, behaviour, attitude and will be recognised for excellent learning in PE through the 'High Tryer and High Flyer' award each month.

Sport

Extracurricular (Lunch and After school)

Pupils will have on offer a range of opportunities within the school such as Tennis, Netball, Dance, Hockey, Basketball, Football and any other activities requested. There will be external clubs and organisations that will provide experiences for the pupils throughout the year.

Festivals and Competitions

Active Schools have organised a wide range and variety of festivals and competitions within the Marr College Cluster but also South Ayrshire too. This will provide pupils with the chance to consolidate the Significant Aspects of Learning outside the classroom.

Sport Council

Goals and Aims:

- Gaining pupil feedback on PE and Sport within the school.
- Promotions of extracurricular, competitions and festivals.
- Organising events such as inter-house games, IDL projects in PE, sport awards, transition activities
